

To the School Administration of _____

The Arkansas State Championship Horse Show will be held September 3-7, 2026, at Barton Coliseum in Little Rock. The invitation only event is held annually and hosts over 1800 qualified exhibitors from every corner of the state competing in judged and timed events.

There are 13 associations throughout Arkansas. Exhibitors qualify for the Championship Show by competing all year in association shows and finishing in the top 5 in their event. The Top 65 will compete at Barton Coliseum to crown the Top 10 in the State and the Champion for each event.

_____ is a member of the Northeast Arkansas Horse Show Association. Our association information and all State Show information may be found online at www.northeastarkansashorseshowasso.godaddysites.com and on Facebook under Northeast Horse Show Association.

Exhibitors work extremely hard for the chance to compete at this event. They are also held to strict sportsmanship and competition guidelines. It is a tremendous accomplishment and honor to qualify to show at Barton Coliseum.

We respectfully request their presence at the Championship Show to represent Northeast Arkansas Horse Show Association to the State of Arkansas and allow any absence from school during this time. Should you have any questions, we may be reached by email at neahorseshowgmail.com.

Respectfully,

Wyatt Kenley, President for Northeast Horse Show Association
