Date: _____
Participant Name: _____

1. Purpose

The Participant consents to be recorded for podcast production, archival preservation, educational use, research, and the training or development of machine-learning models.

2. Consent to Record

The Participant authorizes the Producer to record their voice, image, likeness, and statements through audio, video, photography, written notes, or other media.

3. Grant of Rights

The Participant grants the Producer a non-exclusive, worldwide, perpetual, royalty-free license to use, reproduce, edit, publish, distribute, and publicly display the recordings; store them in public or private archives; use them for research and machine-learning development; and create derivative works. Materials already published or incorporated into research or ML systems may not be retractable.

4. Participant Rights

The Participant retains ownership of their personal story. They may request factual corrections, removal from **future** public distribution when feasible, or restricted access to specific segments if agreed upon at or before recording.

5. Community Stewardship and Cultural Preservation

The Participant acknowledges that this project supports community stewardship and cultural preservation. The Producer agrees to handle all materials with respect for the Participant's lived experience, personal history, and cultural context, and to use the materials in ways that honor the dignity and significance of the Participant's narrative.

6. Sensitive Content

The Participant may decline questions, pause the recording, or request exclusion of specific segments from public release. Once materials enter archival or research systems, removal may not be technically possible.

7. Use of Name, Voice, and Likeness

The Participant authorizes the use of their name, voice, likeness, and biographical information for the permitted uses.

Preferred Public Identification:
