## Job Description

We're looking for an experienced server ready to step into a leadership role, or an established floor manager, to join our team for the Spring and Summer season—and beyond for the right fit.

If you bring a strong work ethic, take pride in what you do, and enjoy working as part of a tight-knit crew, we'd love to meet you. At Nomad, we value professionalism, maturity, and authenticity. We're looking for someone dependable, detail-oriented, and excited to be part of something local and independent.

This is a hands-on leadership role working lunch and/or dinner service. You'll lead the floor during service while supporting day-to-day operations, guest experience, and team coordination. The role includes opening and closing responsibilities and is ideal for someone ready to grow into a more senior position.

### Responsibilities:

- Lead and support the front-of-house team during service
- Provide exceptional, attentive service to guests
- Oversee floor flow, pacing, and overall guest experience
- Handle guest requests and resolve concerns professionally
- Support training and mentorship of team members
- Complete opening and closing duties
- Maintain cleanliness, organization, and service standards
- Communicate effectively with kitchen team and owners

### Qualifications:

- Minimum 2 years serving experience (lead or supervisory experience preferred)
- Valid Serving It Right certification (required)
- Strong leadership, communication, and problem-solving skills
- Ability to stay calm and organized in a fast-paced environment
- Positive, team-oriented mindset
- Weekend availability required

### What we offer:

- A positive, respectful, community-minded workplace
- Competitive pay, flexible scheduling and tips

- Flexible hours and support for work/life balance
- Opportunities for growth and development

**Closing Date: Open Until Closed**
