

RULES AND REGULATIONS

9. Shooters will be required to strictly follow all range safety rules and safety officers instructions. Violations will result in disqualification in that event and / or expulsion from the range.

A Safety Violation includes but is not limited to:

“Negligent discharge” which is defined as the discharge of a firearm in an unsafe or intentional manner.

Dropping any firearm during an event. Dropping is defined as the total loss of control of said firearm in which the weapon falls to the ground uncontrolled by the shooter. If a shooter falls during an event and his or her weapon hits the ground, this may not constitute disqualification if a reasonable effort was made to control the weapon during the fall.

The safety officer for that event will make the decision as needed.

Allowing the muzzle of his/her weapon to sweep other team members, range officers or spectators.

Any other act deemed grossly unsafe by the range safety officers.

10. Any competitor who intentionally avoids an obstacle or shooting a stage without a reasonable attempt to complete it will result in a team disqualification.

11. Shooting positions defined as:

PRONE: laying flat on a surface, behind a rifle, with the majority of the torso and legs in contact with that surface.

KNEELING: both feet and at least one knee must be in contact with the shooting surface.

SQUATTING: both feet must be in contact with the shooting surface, with knees bent fully to cause the calf and thigh to touch.

STANDING: both feet in contact with the shooting surface and legs extended in an erect position.

SITTING: with the buttocks in contact with the shooting surface.

12. Any team who receives a disqualification or a DNF (Did Not Finish) will be scored as follows.

No team points will be assigned in that event

The team time will be 1 second slower than the slowest team in that event

13. No shooter will be allowed down range. Targets will be brought to a designated area for the scoring and viewing.

14. Each course of fire and how it will be scored will be explained prior to the start of that course and at the team leaders meeting. You will be able to ask questions during each course briefing.

15. All targets will be scored by a panel of judges and confirmed by another judge before points are assigned. All targets will be made available to the shooter to review as soon as possible.
