**DESCRIPTION OF EVENTS**

**Barricade Event**

Shooters will start from the starting position. On start shooters will move to the first shooting position and each shooter will engage the cold bore target with 2 rounds each.

Shooters will then move as a team to the barricade. Once both shooters are at the barricade one shooter will engage the target from under the barricade with 1 round.

Shooters will then move as a team to the second barricade and the shooter must use the barricade as support and shoot over the top of the second barricade. Shooter will engage the target with 2 rounds.

Teams will carry there own ammo and all gear needed for the event. Shooters must move together as a team.

Shooters will move with an unloaded weapon.

Dropping a rifle will result in a DQ for that event.
