

To all Sniper Conference Participants:

Thank you for your interest in the 2018 Gastonia Sniper Conference. This is a new start with a new range and new scenery.

We hope that you all enjoy the training and competition that we have in store for you. We try and make sure that our event is as fair as can be and also enjoyable.

For the new teams, we operate under no secrecy. If you have a question, ask it. Obviously there are certain details that we can not divulge, but for the most part if you ask it we will try our best to answer.

Our sponsors have come through again this year. They give thousands of dollars in prizes for us to distribute to the competitors. Please be sure to thank them if you see them and if your department has a need or is looking for items please give the sponsors a chance to at least give you a price. All of the sponsors are listed on the webpage with links to their websites.

Attached are diagrams of each event and directions to the hotel and firing range. As usual all events are subject to change without notice.

Participants should bring the following gear:

- Scoped Duty rifle (.30 caliber or smaller unless pre approved) with 80 rounds of factory ammunition per team
- Handgun, with tactical type holster (50 rounds of pistol ammunition per team)
- Iron Sight Rifle (.30 caliber or smaller with 40 rounds per team, each shooter will need their own rifle)
- Tactical type footwear
- BDU style uniforms
- Soft Body armor
- Eye and ear protection
- Any other equipment you feel necessary

See you all in October

Sergeant Eric Howard
