Entry Construction: Entries must have a top, batting and backing containing quilting.

Entry Condition: Entries must be show ready when delivered: finished, clean, undamaged, free of odor and pet hair. Judging committee will remove any quilts that are deemed odorous, excessive pet hair, etc.

Sleeves: ARE NOT REQUIRED

Labels: Looking at the quilt back, a label identifying the quilt maker/quilter and name of the quilt must be secured to the lower lefthand corner. Labels may be permanently attached or secured with safety pins or fusible.

Showroom Display: Decisions regarding entry into correct categories and display of quilts are at the discretion of the quilt show committee. If entries in any category do not reach at least five entries, these entries will be placed in other categories that are as comparable as possible and will be judged in those categories. **Entries with rigid frames, glass, special mounting or hanging devices will not be accepted. No clothing, tote bags, etc.**

Cloth Bag: NO PLASTIC BAGS! **Quilt must be in a cloth bag** (pillowcases acceptable or zippered pillow cover) with name of quilt & quilters name written in permanent ink. Art quilts can be rolled and can be entered with protective covering.

Folding: Fold the quilt so that the label can be seen from the top of the bag, without removing the quilt.   Here's how: Place quilt face up with label on the back, bottom left corner. Fold front over to the left edge of the quilt. Fold over a second time to the left. Fold the top down to the bottom. Fold again to the bottom. Turn the bundle over and the label should be facing up. Insert the quilt in your cloth bag with the folded edge first; the label should be at the opening, face up on the left.
