WE'RE HIRING

Canberra Event Management and Styling are an award-winning team of event specialists.

All positions are casual, primarily weekend work and ad hoc due to weddings and events tending to be seasonal. More information on the positions below. If you have any further questions please contact Carissa on 0414 195 202 or email info@canberraeventmanagementandstyling.com.au

Position description - Event hand

Weddings and events are fun but hard work and heavy lifting is often involved. We need your muscle! If you're after a weekend job that will fit in with uni or other work this is perfect for you.

Due to the nature of the industry sometimes venues require us to pack down overnight, the work is mostly on the weekends and is seasonal. Our busy periods are Jan-May and September-December. During these periods we are heavily booked with events and less so in the cooler months.

We need hard working, reliable staff who are happy to help with the less glamorous side of events including lifting heavy boxes, chairs, tables and other behind the scenes work such as backdrop set ups.

There are three positions available so if you are interested or know someone who might be keen on some weekend work feel free to share our email info@canberraeventmanagementandstyling.com.au with your cover letter and CV.
