## 2026 KEYNOTE COLT CHARLEBOIS

Colt Charlebois is a Kingdom Business Coach, speaker, and author focused on helping Christian entrepreneurs align their businesses with their faith to create, lasting, and measurable impact. He works to shift business owners from a focus on personal gain to a "redemptive" mindset, where business serves as a public witness to restore and create flourishing in their communities.

Leaders of Impact 2026 will be a transformative experience challenging leaders across Atlantic Canada to change their mind, change their heart and change their world.

The mission of this event is to inspire local leaders to change society through compassion and sacrificial generosity of their gifts and resources. When we realize we are each here for a unique purpose, we begin to understand our role in a larger narrative.

When we know our true identity, our unique gifts and our divine purpose, we can walk freely forward and carry out the assignment we've been given.
