

Dear Cornerstone Preschool Families,

We have created a short survey to gather information on your child care needs once the center re-opens. The Province has announced that childcares can open from June 12<sup>th</sup>, 2020, however we are waiting to hear specific guidelines and timelines from the City of Hamilton. We anticipate that when childcare begins to re-open it will be done gradually and additional safety precautions will be put in place.

The purpose of this survey is to understand your childcare needs during this re-opening phase. While we will do our best to accommodate childcare needs, we are anticipating that the capacity of the childcare system will be limited, and we cannot guarantee a space for all children at this time.

**Please complete and return the attached survey no later than June 17<sup>th</sup>, 2020**
