

Modern Slavery Policy Statement

FATE Property recognises the responsibility that we share with our clients, customers and suppliers to buy materials and deliver our services in an ethical manner. As part of this commitment, we acknowledge our responsibility towards the Modern Slavery Act 2015 and will ensure transparency within the organisation and with our suppliers of goods and services. FATE Property does not operate in an industry or in geographic locations with a high risk of modern slavery.

We want our customers to be confident that our business partners treat all employees fairly and with respect for human rights. No employee is exposed to unsafe working conditions or in any way forced to work under slavery. Only suppliers who share our standards and values will be considered appropriate to trade with our Company. We will not work with any organisation that either has or is found to be knowingly involved with either human trafficking or modern slavery.
