Garden Tour

We offer private garden tours to garden clubs and other organizations. During this 45 minute walking tour you will learn about the plantings and the inspiration that led to the beautiful English style gardens. Special attention is given to the unique collection of plants and trees as well as the history of the house and historic outbuildings. While on this informative guided tour with Nancy, questions are welcomed. After the tour please enjoy walking through the greenhouses, garden center and the Amaryllis Gift Shop. We have a large selection of proven winner annuals, long lasting perennials, herbs, succulents and flowering shrubs. The Amaryllis has an assortment of whimsical accessories for miniature gardens. The garden center is filled with potted containers, elegant statuary, and pottery.

The cost is \$10.00 per person with a minimum of 10 people. If there are less than 10 people, the cost is \$100.00. A non-refundable \$100.00 is required at the time of booking.
