

Italian American Association of the Township of Ocean

Dear Supporters and Friends of IAATO,

In 2026, the Italian American Association of the Township of Ocean (IAATO) will proudly celebrate **50 years of service, culture, and community impact**. This Golden Jubilee is more than a milestone — it is a tribute to the generations of families, volunteers, and supporters who have helped preserve our Italian heritage while strengthening the greater community we proudly call home.

Rooted in the values of family, tradition, and giving back, our mission has always been clear: **“Dedicated to All the Children.”** For five decades, IAATO has worked tirelessly to uplift youth, support local families, and invest in the future of our community through education, service, and cultural pride.

Thanks to the generosity of supporters like you, IAATO has awarded **more than \$1 million in scholarships** to deserving students, including nearly **\$50,000 last year alone**. We have also contributed over **\$1 million** to vital organizations such as Fulfill Food Bank, Ladacin, Mercy Center, Monmouth Medical Center, Special Olympics, St. Jude Children’s Research Hospital, veterans’ organizations and first responders, youth sports leagues and countless community-based initiatives.

As we celebrate this historic 50th year, we invite you to be part of something truly special through our **2026 Sponsorship Program**, which includes two signature marquee events:
