I Hope Malcolm and Nate Turner
Meet you at the gates
And say, Welcome
Take your seat amongst the greats
That battled for the fate of our people
I live as your sequel
To bring light to dark spaces
Speak for the faceless
Tell them your journey so they have hope to make it
I rejoice in your life
So your death I embraced it as you're going home

In the Memory of my Father Michael D. Smith

How to Use This Guide

The Illinois Community Supportive Services and Referrals Directory contains information about housing, case management, medical care, substance abuse treatment, counseling, and supportive services in Illinois.

The directory is organized by geographical region. The state is broken down into three areas: Northern Illinois, Central Illinois, and Southern Illinois. Those areas are further broken down by city and county area. To find services in your area, simply turn to the city or county area closest to you.

Agencies providing services in the region are listed alphabetically. Each listing contains the most up to date information about the agency, including contact information and the services the agency provides. Services are also indicated by symbols.

Community Support Advisory Council (CSAC) Groups

CSAC is an Illinois Department of Corrections Faith Based Re-entry Program whose role is primarily to build support within the community for the formally incarcerated returning home. CSAC works by bringing together supporters and providers in the community to provide an array of services to support the formally incarcerated in their re-entry transition. Contact the CSAC group in your area to find even more agencies providing services to formally incarcerated people and their families.
