

The World's Smoothest Stair Lift

Designed for comfort and style this 300 lbs capacity straight stair lift offers a patented worm gear drive for a smooth safe and energy efficient ride.

Features & Benefits

- Just 11" wide folded
- Patented helical worm drive is smooth and energy-efficient
- Battery powered, runs up to 60 cycles during power interruptions
- Zero maintenance, no lubricants required
- Includes 2 wireless remotes
- Folding Rail **option** eliminates obstruction at stair base (optional)
- ETL Listed - 3148125

Never Needs Grease!

The energy-efficient patented worm drive requires no greases or lubricants.

Safety sensors on footrest stop the lift instantly at obstacles.

An industry exclusive, automatic fold design eliminates obstructions at the bottom of the stairway. **(optional)**

Specifications	Medallion Stair Lift
Maximum Weight Capacity:	300 lbs
Overspeed Governor:	Yes
Track (rail) Type:	Clear Anodized Aluminum
Travel:	16' Standard; 70' Maximum
Average Number of Return Trips per Charge:	Up to 60
Symmetrical Lift:	Yes (Ships and installs non-handed)
Control in Armrest:	Yes (left or right hand operation)
Lift Mounts to Steps or Wall:	Steps
Minimum Folded Width:	11"
Minimum Footrest Height:	3.5"
Clear Distance Between Armrests:	18"
Floor to Seat Height Low / High:	20" / 24.5"
Minimum Wall to Stair Side of Rail:	9"
Seat Depth:	16"
Backrest Height From Top of Seat:	18"
Electrical Requirements:	110 V AC - Standard Wall Outlet
Operation Power:	24V DC Battery
Speed:	20 fpm
Incline Range:	27 - 52°
Drive System:	Helical Worm Gear
Safety Design:	Complies with ASME A18.1, CAN/CSA B44.1, ASME A17.5
Safety Devices:	Centrifugal Overspeed Brake Bi-directional Footrest Obstruction Sensor Swivel Seat Cut-off Switch Final Limits / Seat Belt
Lifetime Warranty (No Questions Asked!)	Lifetime on Components / Worm Gear Lifetime on Motor & Circuit Board 2 years on batteries
