

Resident: 22yrs Aged:60

I would feel that I belong in this community if I was respected, smiled at, included, invited, heard & supported.

Resident: 4yrs Aged:59

I felt that I belonged in this community when I came to work at the Op Shop. It gave me a chance to interact with the community.

Resident: 3 months
Aged:54

I will feel that I belong in this community when Iam a part of the makers community. I will be able to contribute to the community with my art & working in aged care & meeting like minded people.

Kindness Is Sharing Stories Together

Resident: 2lyrs Aged:60

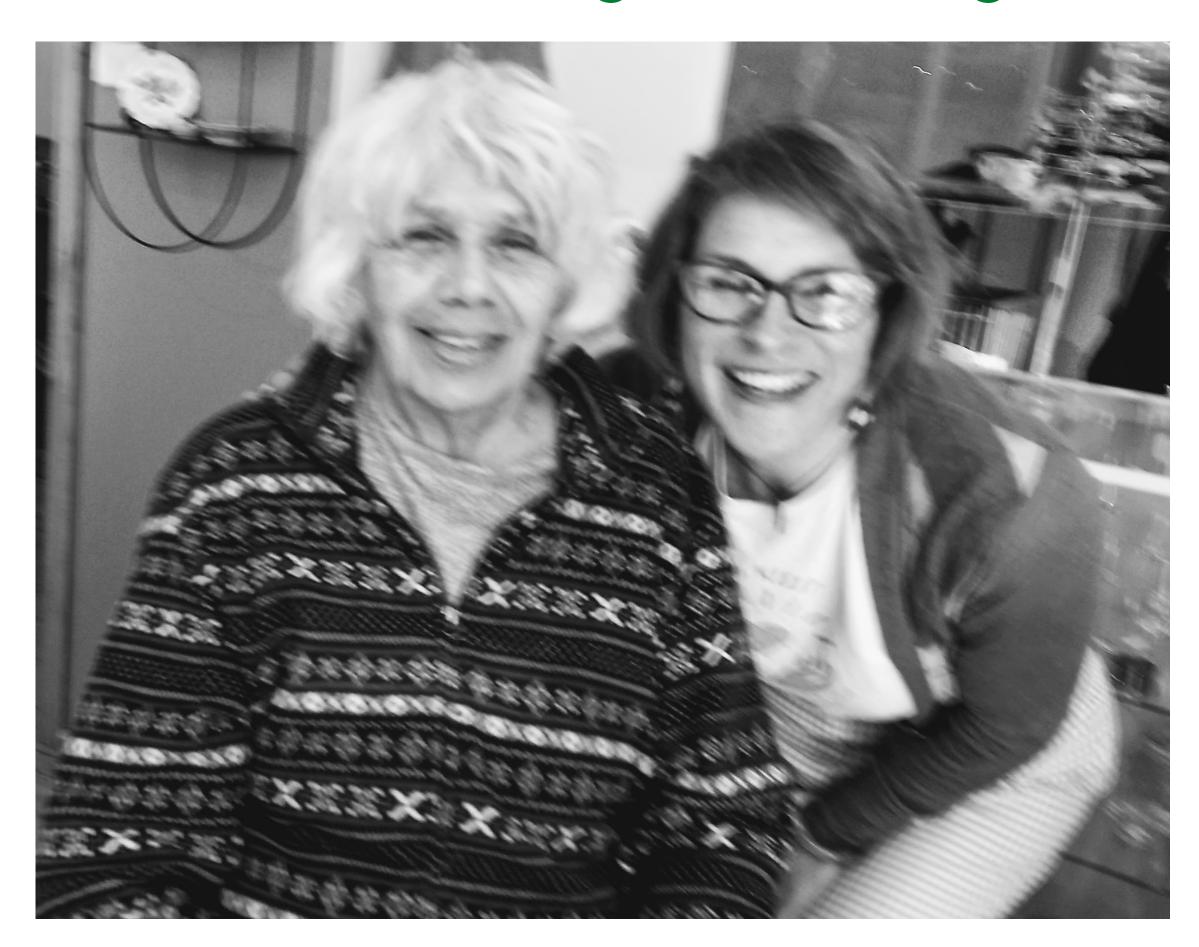

I felt that I belonged in this community when I was asked by the Pyengana community to help @ funerals & social events. When people would ask me to do things for them, it made me feel like I belonged.

Resident:50 yrs
Aged:61

I felt that I belonged in this community when I moved back & I was welcomed in & found work that I enjoyed.

Kindness Is Sharing Stories Together

Resident: 54yrs Aged: 74

I felt that I belonged in this community when I started to soicalize @ cabarets & dances & when I started working. As an Aboriginal women, this is my country, where I belong. Where I need to be, who I am.

Resident: 25yrs Aged: 62

I felt that I belonged in this community when I began to contribute to the community through the Tasmanian Ambulance Service as a volunteer.

Resident: 4yrs Aged:72

I felt that I belonged in this community when I played golf here & the people @ the golf club made us welcome & encouraged us to stay in St Helens & be a part of the golf club.

Resident: 6yrs Aged:65

I felt that I belonged in this community when we bought our land & built our home.

Kindness Is Sharing Stories Together

Resident: 5yrs Aged:16

I felt that I belonged in this community when I started to make friends with the locals & contribute something.

Resident: 3yrs

I felt that I belonged in this community when I was welcomed back at the local golf club on my return back to Tasmania from the Territory.
