Genevieve Marnon

special guest speaker

Genevieve Marnon is the Legislative Director for Right to Life of Michigan. She serves as their main media spokesperson and works as a lobbyist advancing pro-life legislation at the Capitol in Lansing. Genevieve has been involved in the successful passage of several laws including updating abortion clinic regulations, removal of built-in abortion coverage from health insurance, and requiring hospitals to publish their futile care policies. Genevieve holds a bachelor's degree in biology from Oakland University. She has been married to her husband, Mark, for 37 years and has three grown children and six beautiful grandchildren. Genevieve will update us on the current status of important issues such as chemical abortion and attempts at legalizing assisted suicide in Michigan.
