Accessing Video consultations

Access to the Online Video Services relies on you being able to receive data over the Internet via Wi-Fi or a mobile data connection, using a PC, mobile device, or tablet.

You are responsible for making all arrangements and payments necessary for you to access the services, including internet and network connections, an appropriate mobile device, and any additional software or hardware required.

We recommend that you check this prior to the confirmed start time of your video consultation, as we will not be able to refund your fee if you are unable to connect because of the operating system and / or browser that you are using, or if you have a poor internet connection. In the event of a lost connection, the doctor will endeavour to contact you to re-initiate the consultation or contact you by telephone.

Unavailability of the Services

We will do our utmost to ensure that availability of the services will be uninterrupted and that transmissions will be error-free. However, due to the nature of the Internet, this cannot be guaranteed. Also, your access to the services may also be occasionally suspended or restricted to allow for repairs, maintenance, or the introduction of new facilities or services. We will attempt to limit the frequency and duration of any such suspension or restriction.

In the unlikely event of a problem with the provision, or the unavailability of the services, we will use our reasonable efforts to restore the services and rectify any defects. We will try to contact you by telephone to continue the consultation.

You will not be required to pay or (if applicable) you shall be entitled to a refund for any service or product purchased where we have caused such defect and we were unable to provide you with the service or product following your purchase.

Fees

All fees including consultation, procedures, and administrative tasks are stated on the website. Length of appointment times are also stated on the website. You understand that the length of the appointment time is the maximum time allowed for your appointment and the doctor will not be able to overrun.

All medications prescribed to you must be paid for directly to the pharmacy from which you obtain the medication on production of the prescription.

Payment

In order to pay for the services, you will need to provide payment card details. You must have appropriate authority to use the payment card which you use for payment.

Your card will be charged at the time of booking a consultation.

You agree and authorise us to charge your debit or credit card with any charges for services or products that you have purchased. Any failure of authorisation processes will result in the services or products not being provided and any booked consultations will be cancelled.

We do not currently take payments from insurance companies.

Cancellation Policy

You may cancel an appointment for a consultation at any time. However, there will be a charge depending on the time of cancellation. Any cancellation within 5 working days of your allocated appointment, will incur a full charge. Any cancellation prior to this will incur an administration fee of 1.5% (with £5 minimum fee). This is to cover the charge we at Berkshire Menopause Clinic incur from the 3rd party provider Stripe for any payment made by a patient, even if we refund you the full original amount.

If you wish to cancel, either call us on 07510613838 during our working hours or email us at info@berkshiremenopauseclinic.com and provide your name, date of birth, and time and date of your consultation. Please note that if you do not inform us that you will not be attending for your appointment and you do not provide at least 5 working days prior notice, you will be charged for the full appointment time, and should you wish to rebook, there will be a 50% surcharge.

Berkshire Menopause Clinic

Unfortunately, if you are more than 10 minutes late for your appointment without our prior agreement, and we are not able to accommodate you as this will delay our next patient, we will treat this as a missed appointment. We will need to ensure we keep to our appointment schedule, in order that we do not unfairly impact on appointment length causing inconvenience to other paying patients. If we consider you have missed an appointment, we will be unable to refund any of your pre-payment.

3rd party providers:

Issuing Prescriptions

If our doctor, based on their medical assessment, decides that you are suitable for treatment, they may issue a private prescription. You understand and accept that there is no guarantee that you will be approved to receive a prescription following a consultation. Prescriptions are issued at the sole discretion of the doctor.

Any medications prescribed will only be related to Hormone Replacement Therapy (HRT).

We do not prescribe any types and classes of controlled drugs (or restricted drugs and substances as classified by The Misuse of Drugs Regulations 2001). If you require these medications, please do not book an appointment with us as these will NOT be provided and you will still be charged for the consultation.

Processing of prescriptions

If your BMC doctor issues a prescription, this will be dispensed by the partnered pharmacy, Pharmaciege. You agree and consent to BMC sharing basic identification data with the partnered pharmacy, for the purposes of enabling the pharmacy

Berkshire Menopause Clinic

to verify your identification on collection of your prescription. The pharmacy will contact you directly to process the prescription, including to confirm your details and, if the delivery option is selected, to arrange delivery.

Alternatively, you may choose to request a printed prescription to take to a pharmacy of your choice. All prescriptions that are issued by a doctor are only valid at approved UK pharmacies.

You understand that the doctor will NOT email you a copy of the prescription, and an original copy will be sent in the post. It will be sent 1st class via royal mail delivery services. You understand that BMC has no control over any delays or lost post by Royal Mail postage services.

Problems with the processing of prescriptions, the dispensing of medication, by pharmacies.

Berkshire Menopause Clinic has no control over or responsibility for any individual pharmacy, or its policies in relation to the acceptance or processing of prescriptions, the dispensing of medication, or delivery or opening times.

If a prescription issued to you by a doctor, is not processed, dispensed or (if applicable) delivered to you correctly; we recommend that you contact the 3rd party provider Pharmaciege in first instance, and /or your chosen nominated pharmacy. You may, in these circumstances, be entitled to a refund from the relevant pharmacy. You will not, however, be entitled to a refund for the fees you have paid for the consultation itself.

For any requests of repeat prescriptions outside of your consultation, there will be a £35 administration fee.

If you have chosen for the BMC doctor to send your prescription to you (to then take to a pharmacy of your choice) – you understand that BMC cannot take any responsibility for delay or issues with royal mail delivery services. You understand that should your prescription get lost you can request a replacement (for free). However, you agree to be honest, and should the original prescription turn up, you will destroy the copy provided.

Blood tests

Our doctors may be able to carry out some blood tests at the clinic, upon discussion and agreement. We may recommend 3rd party for blood test services. You are not obliged to use any third-party provider recommended by us and we will only share your information with the service provider which you have notified us will be carrying out your blood test.

We have no control over or responsibility for the services 3rd party providers provide. If a blood test or other service, we have recommended, is not processed we recommend that you contact them directly. You may, in these circumstances, be entitled to a refund from that 3rd party provider. You will not be entitled to a refund for your consultation with BMC in these circumstances.

Payment services

Payment processing services for Berkshire Menopause Clinic are provided by Stripe. The details you provide to us via the Heydoc System are passed directly to Stripe and will be subject to its terms of use and privacy policy (<https://stripe.com/gb/privacy>). By inputting payment card details, you are consenting to the use of the payment card details by Stripe for the purpose of paying for your order. If you have any questions relating to these services, please contact Stripe at privacy@stripe.com.
