MOVE FOR HEALTH COMMUNITY PROJECTS

Within our Move for Health portfolio, Allegra Studios has a number of community projects currently running. **Dance for Brain Health** classes run 11am every Tuesday during school term at the Town Hall. This program explores creative movement to enhance participants' health and wellbeing. In March we also started monthly Dance for Brain Health classes and fortnightly Tumble Tot classes at the **Rockhampton Museum of Arts**. Next term we will be heading to **JAC's Early Learning Centre** to further expand our Tumble Tots programs.

MASQUERADE BALL

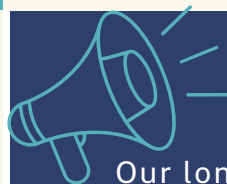

We are excited to announce that we will be holding our first ever Masquerade Ball!! This event aims to raise funds to support our community projects and make dance and movement classes accessible to all in our community. We are currently looking for sponsorship - please enquire if you are as passionate about helping strengthen our community as we are.

NEW TEAM MEMBER!!

We are so grateful to welcome Maya to the team. She brings great experience and positive energy to the studios!

STAY TUNED FOR NEW FRIDAY NIGHT ADULT MOVEMENT CLASSES!!

ALLEGRA APPAREL

Our long awaited Allegra Studios apparel is now ready to order. Beyond Print have ordered shirts and will commence printing mid-April.
