Be On the look out for Amira Permandi: she is determined to go all the way in the world of Golf. I had the pleasure of meeting this beautiful young golfer, and her family last week. They were in town visiting from Indonesia. It was a joy to meet them and their other family members who live in Los Angeles, Ca. Her Uncle: Fadhly Ahmad works for the Indonesian Consulate: Information and Cultural Affairs. While they are here in America, they are visiting and playing at different various golf courses. Amira and her parents (who are her managers) were on that way that day to catch a flight to North Carolina to compete in the US KIDS Golf World Golf Championships. Be sure to follow her golf Journey by following amirapermadi on instagram/or @youtu.be/kkle4LrwoEA

GOLF FUNNIES

"Late Arrival?". One golfer asked his friend, "Why are you so late in arriving for your tee time?" His friend replied, "It's Sunday. I had to toss a coin between going to church or playing golf." "Yes," continued the friend, "but that stills doesn't tell me why you are so late." "Well," said the fellow, "It took over 25 tosses to get it right!"

Travel & Leisure

PLAY THE GAME. SEE THE WORLD.

Founded in 1984 by a pair of Scottish brothers who were accomplished amateur golfers, PerryGolf has risen to become America's leading provider of luxury international golf vacations. The Company maintains a marketing and sales office in Wilmington, North Carolina with a sales and operational headquarters located in Helensburgh, Scotland. PerryGolf is recognized and respected for creating unique and innovative golf travel experiences including privately chartered small-ship cruises, luxury train tours, helicopter tours and personalized land tours utilizing VIP Golf Coaches. The business has evolved into three distinct products;

Customized Travel - completely personalized itineraries for a group of golfers who are typically close acquaintances. Non golfers will frequently join the group to enjoy local sights, history, resorts, etc while the golfers play. PerryGolf arranges the complete vacation including airfare (optional), tee times, hotel accommodations, sightseeing and local transportation. Group size can vary from single traveler to more than 100.

Destinations Served - Scotland, Ireland, England, Wales, France, Spain (Costa del Sol), Portugal (Lisbon & Algarve), Italy, South Africa, New Zealand, Australia and Argentina.

Escorted Tours - are pre-arranged with fixed itineraries for groups of 24 - 30 guests. These programs are fully managed throughout by PerryGolf representatives. They are designed around special events like The Open, sometimes referred to as The British Open or The Open Championship, or to experience unique destinations like Southeast Asia & Argentina that may not be part of our permanent portfolio. Our escorted programs provide an excellent opportunity for smaller parties to join a larger group of like-minded traveler for a relaxed experience supported by driver.

Golf Cruises - The reputation we've earned over 35 years as one of the most respected providers of international golf tours is proudly presented now as one of the most respected providers of international golf cruises. PerryGolf stands alone to deliver the largest variety of voyages that combine the best golf courses in the world with the world's most desirable destinations.

We do not charter which allows us to offer a wide range of pricing. Instead we partner with Azamara® whose four ocean liners for less than 700 guests give us access to nearly every destination around the world with great golf.
