

How to fold your mini-book:

1. Fold the paper in half, along the dotted lines that are horizontal across the paper.
 - a. The title page and page 4 should be on the same side
 - b. Pages 2 and three should be on the other side
2. Fold the paper in half along the second set of dotted lines that are vertical across the paper
 - a. The title page should be in the front of your book, and page four should be in the back
 - b. Pages 2 and 3 should be facing each other inside your book

they

my hands because

I am thankful for

I am thankful for

my toys because

they

my feet because

I am thankful for

My Thankful Book
