# Counseling 21st Century Students for Optimal College and Career Readiness

## A 9th–12th Grade Curriculum

**Corine Fitzpatrick, Kathleen Costantini**

This second edition presents an updated action-based curriculum for high school counselors to help to foster the growth of students and engage them in learning what they need to succeed. This book provides a model for developing a successful college advising office as well as essential advice on methods of working with parents. Specific topics discussed include successful transition to 9th grade, using technology in the college advising process, assisting students in college research and application, and helping seniors successfully transition to college. The curriculum is geared for use by school counselors, college advisors, and readers in graduate counseling courses.
