## Tips for Counselors

What to Do Prior to the PSAT
<ul style="list-style-type: none"><li>• Go over PSAT practice questions.</li><li>• Have students fill in the required biographical information on the PSAT Answer Sheet. This is somewhat time-consuming but can make the actual testing easier for many students.</li><li>• When filling out the Answer Sheet, advise students to check the appropriate boxes to participate in the National Merit Scholarship Competitions. (This applies to juniors only.)</li><li>• Help students answer the Student Data Questionnaire.</li><li>• Advise students about which calculators are approved.</li><li>• Identify and meet with students with disabilities regarding their accommodations.</li><li>• Remind students about #2 pencils.</li></ul>
