SAFE AND SECURE WALL HANGING

Z-Bars and 4" Wall Brackets

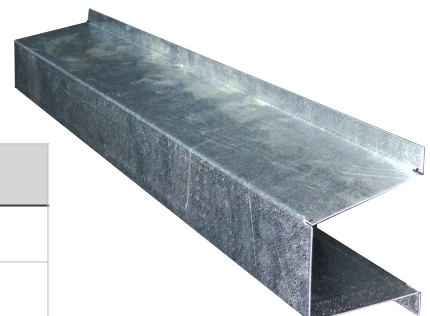

Z-Bars

For flush mount applications this 24" Long 18 Ga. Galvanized Steel bracket is exactly what you need. Simply fasten one bracket to the wall and one to the unit. Brackets easily slide together, inter-locking to safely hang your AHU.

4" Wall Brackets

Keep the AHU 4" away from the wall with these 22 Ga. Galvanized Steel Brackets. These brackets are 24" Long. Included are two 4" Wall Space Brackets and the AHU Hanging Bracket. Easy to attach to the AHU and the wall for a safe and secure hanging system.

Item #	Description
001380	#380 - Z-Bar Brackets
001384	#384 - 4" Wall Space Brackets
