ADJUSTABLE AIR HANDLER STANDS POWDER-COATED & KNOCKED-DOWN

Perfect for free draw return air systems where AHU's are installed in closets or other conditioned spaces.

Featuring:

- ✓ 16 gauge **Powder-Coated** Steel
- ✓ **Hinged Legs** for simple 2-piece assembly
- ✓ Standard **22" Depth** to fit most AHU's
- ✓ Built in **1" Filter Rack** with **Filter Stop**
- ✓ **Rubber Gasket** to minimize vibration

Ships **Knocked-Down** in a **Box** to save space & reduce shipping costs.

Foldable design for quick & easy assembly.

Wing Nuts to fix width and stabilize base.

MODEL	WIDTH	DEPTH	HEIGHT	LOAD	BOX QTY	PALLET QTY
