

Paisley Youth Rodeo Association began with a big idea, and a whole lot of heart from a group of parents in an agricultural community of Lake County. This group found a significant need for something local that was designated just for the kids. Somewhere our youth could find the values of good sportsmanship; safe horsemanship, dedication, genuine effort & the basics of the rodeo circuit, all the while remaining close to home and affordable enough to participate in. Our goal was and still is to provide an atmosphere of safety & encouragement no matter where your experience level happens to be.

This year PYRA has planned five rodeos as part of our summer buckle series, beginning ***Father's Day weekend with a double header on June 20th & 21st***. Our average attendance is nearly 100 contestants, and double that for spectators! We have competitors from all over the state of Oregon, as well as Idaho, Nevada, and California.

Paisley Youth Rodeo Association would graciously like to ask you to be a part of the PYRA family this year, we would love to see your family & business in attendance at one or all our rodeos this summer to watch these competitors encourage each other no matter the run they had. No matter who won, and who came in last place. Every rodeo, the whole rodeo board & attendants, leave that arena inspired by these young people. We would love for you to see where your sponsorship goes, and just how much of an impact your donation has on every young person in that arena.

We are a board of volunteers who simply want to see this non-profit organization grow into something even more incredible every year for the youth of this community & our surrounding community's youth as well. The Paisley Youth Rodeo Association would be honored to have your family or business as one of our sponsors. We send this letter with humble hearts, knowing that asking hard working men and women to sponsor our organization during all this madness in the world today is no small thing. Thank you for helping to cultivate the future of rodeo & agriculture!

We also know that sponsoring comes in all forms; support by sharing our organization online, coming to rodeos to cheer on these incredible kids, and your thoughts and well wishes too! Any form of support for our organization is so appreciated by us all! So, reading this letter if a monetary donation isn't something your family or business can do, please know any form of your support is incredibly valued by us!
