

EURIDIKA

Euridika simbolizira ono što je izgubljeno i više se ne može vratiti. U raspuknutoj formi amfore postaje metafora sjećanja, odsutnosti i praznine koju ostavljaju ljudi, mjesta i vremena koja nestaju iz naših života. Ponekad upravo ono što nedostaje ostavlja najdublji trag.

EURYDICE

A symbol of what has been lost and can never return, Eurydice transforms the fractured amphora into a metaphor for memory, absence, and the emptiness left behind by people, places, and moments that disappear from our lives. Sometimes it is precisely what is missing that leaves the deepest mark.
