

COVID Studio Policies 2020

Student/Family agree to the following guidelines:

1. Enter the studio 1-2 minutes before his/her lesson time (but not before that) to minimize number of people in the studio.
2. Student should enter and immediately go to either the bathroom or kitchen sink and wash hands.
3. Students 10 years of age and older should wear a mask in accordance with current state regulations.
4. Parents and siblings agree to remain in the car (unless bathroom is needed). Please stay at or near the studio to ensure prompt pick up. Student will be walked to your car as soon as lesson time is over.
5. Parent agrees to let your instructor know if your student **OR ANYONE ELSE IN YOUR FAMILY** is exhibiting symptoms. If someone is sick, we ask that you request a virtual lesson that day. If student comes to lesson exhibiting any symptoms, they will be sent home immediately and no make-up will be offered.

Teachers agree to:

1. Wear a mask during all lessons and to maintain 6 feet of distance from the student whenever possible. Keyboards will be available in all rooms for teachers to demonstrate or play duets.
2. Sanitize keys and all commonly touched areas between each student.
3. Ensure every student has a clean pencil/writing utensil each lesson.
4. Not come to the studio with any signs of sickness, but to offer lessons virtually that week or set up a sub/arrange to make-up lessons at a later date.

We so appreciate your patience and cooperation during this time. Please help us go above and beyond to provide a safe environment for our students, their families, and their sweet grandparents!
