POLICE STAFF PAY CAMPAIGN 2024

POLICE STAFF PAY NEWS

4 October 2024

UNISON MEMBERS VOTE TO ACCEPT 2024 PAY OFFER

UNISON police staff members in England and Wales have voted by a very large majority to accept the employers 4.75% pay offer for 2024. The ballot closed at 5pm on 2 October. Thanks to all the UNISON members who voted.

On a turnout of 48%, the ballot results are:

- 95% voted to accept the pay offer
- 5% voted to reject the pay offer

As members of the other police staff trade unions also voted in favour, the trade unions informed the employers today that we have accepted the offer.

The pay award will see all pay points increase by 4.75%, plus a 4.75% increase in standby allowance from £34.49 to £36.13

More details of the pay award, including the new pay scale, will be published next week.

It is hoped that forces will be able to implement the pay rise as soon as possible

If you have any questions on the pay award, please raise these with your local UNISON branch.
