

## **Donna Milham – Bio**

Donna is the founder and pastor-leader of Eagle & Dove Ministries and Judah's Roar Church. She has devoted her life to raising up a Galatians 2:20 radical army devoted to the Lord. She believes that we are called to live in covenant and community, walking together in rhythm with the heartbeat of the love of the Father, Son, and Holy Spirit. She loves to teach, always seeking to explore the heights and depths of His Word, seeking to bring forth understanding of the mysteries of His Kingdom. Her heart's pursuit is to become like the One she beholds.

She is a worshiper and a warrior. She plays djembe drum and loves to sing prophetic songs of the Lord. She uses the ministry of dance and arts to bring revelation of aspects of His Nature forth.

She is a published author. Prophetic and revelatory pose are one of her mediums of creativity – painting with words – what the eyes of her heart see from sitting at His Feet.

She is ordained by MFC / MFM and considers her ministry and church to be a spiritual outpost of MorningStar at this eastern gate of this nation where she resides. She has focused on training and equipping those she serves to walk as watchmen and spiritual gatekeepers. To be a family that lives to pray, to worship and decree, and to believe for God's awakening in this hour. To be a company that seeks to truly walk as His disciples, to raise up disciples and to be part of His overcoming army.

Donna lives in Gloucester, Massachusetts and is married to Gary Carpenter. She has a son and daughter-in-law and two grandchildren. They also serve the Lord as pastors and leaders in New Hampshire.
