The map has been updated this year, please take a minute to look at the new layout. Some numbers have changed and we have added some new spots in the pecan grove. If you need power, you will need to bring your own generator. We are considered a dry camp. Our electricity is a 110-volt 20 amp ONLY, and we suggest you bring a generator to run all your electronics. You will need to bring your own generator to guarantee power at all times. You can plug into the outside of the building or a power pole, but we CAN NOT guarantee that the power will not go out. Spots along the west side of the building and along McElroy will be reserved for the SCA cookers, but they are welcomed to park anywhere on the grounds.

Cookers,

Kickin' Childhood Hunger is our charity of choice again this year. Their mission: To engage activities which work to eliminate childhood hunger in North Central Oklahoma and to work with organizations to accomplish that purpose. In 2013 it became apparent to Roger Demaree, Marketing Manager of Kicker and Lynn Youngblood, General Manager of Forman Harley-Davidson that there was a great need in our community to raise funds to feed our children. In their research they found the facts astonishing as they learned the number of children from the Stillwater School System who receive assistance by taking home food sacks during the school year. It was then that a very special group of people, representing five local businesses came together and formed the board of Kickin' Childhood Hunger. In the past six years, the group has raised over \$500,000 and distributed the funds to over 15 organizations in North Central Oklahoma. This past year with your added help Kickin' Childhood Hunger was able to feed 38,000 hungry kids in North Central Oklahoma for weekend meals. Before the partnering with Blazathon, Kickin' Childhood Hunger has had only one major fundraiser each year to accomplish their mission.

Thank you,

Backyard Blazathon Committee

If still tied, then a computer-generated coin toss will be used.
