The UN is poised to kill most of humanity and enslave the rest (see Agenda 2030/PandemicTreaty/OneHealth/15MinutesCities, etc.) Doing nothing ensures our destruction.

Congress **MUST** pass *“The Disengaging Entirely From the United Nations Debacle Act of 2023”* to prevent this worldwide disaster.

Some of the most powerful forces in the world are arrayed against the passage of this Bill. That’s where we come in. We, the People, with our collective voice, are more powerful than they are when we push back decisively.

Take the **10 Million Patriot Challenge** to compel Congress to pass this Bill, and enlist your Circle of Influence to join you in getting the US out of the UN and UN out of the US.

Visit: <https://PreventGenocide2030.org> to take the 6 Simple Steps of the **10 Million Patriot Challenge**.

Act as if your life depends on winning this battle. It does.
