

# ROUND ROBINS

WTT Round Robins are an excellent way to meet new players and experience a variety of playing styles.

WTT Round Robins are competitive and social. Pairings are structured to combine players with similar levels of play.

As a TAP player benefit, any WTT Round Robin does not count as your daily play.

WTT Round Robins are increasing in popularity, so don't miss out!

## ROUND ROBINS

### REGISTRATION AND POLICIES:

- Create a CourtReserve account if you do not already have one. [CLICK HERE](#) to view the Court Reserve manual with instructions on how to create an account.
- Using your CourtReserve App, find the specific Round Robin in which you want to play. and hit register. You will be required to make payment when you register.
- Due to the limited spaces and the high demand for the round robins, once the registration is made and prior to the round robin, there are no cash, check or credit card refunds for a withdrawal. A credit is applied to your CourtReserve account that can be used for any future WTT program/purchase. If the cancellation is less than a day before the reservation, the payment is non-refundable. [CLICK HERE](#) to view the WTT Payment Policy.
- Note: If the Round Robin is full, please put your name on the wait list. That way, if another court is added or if someone cancels, you will be able to join the round robin.
- These round robins are Level Based. The WTT events committee reserves the right to advance or move players to other groups based on levels of play.
