<https://www.amazon.com/Developing-Mind-Third-Relationships-Interact/dp/1462542751/>

Attachment Theory at Work by Jeffrey Yip et al

https://www.jeffreyyip.net/uploads/1/6/7/8/16787140/attachment_theory_at_work.pdf

See Dr. Dan Siegel's website (<https://drdansiegel.com/>) which has many resources, including a comprehensive course on interpersonal neurobiology.

A good overview of relational neuroscience/IPNB that includes the nine domains of integration can be found here: https://en.wikipedia.org/wiki/Interpersonal_neurobiology
