

## DESCRIPTION OF PROGRAM

**Audience:** Students who want to become Teachers

**Program Title:** *FIRED UP to Be an Educator*

### **Program Description:**

Why Be a Teacher?

Because you have the power to make a lasting, positive impact on the life of a student!

Think about the life-changing educator who inspired or supported you—now imagine being that person for someone else.

This engaging and motivational keynote will ignite your passion for becoming an educator and help you gain clarity on *why* this path is meaningful to you.

**In this program, you will learn to:**

**FUEL Your Passion:** Your “why” will become the fuel that drives you as you pursue your education degree and step into your role as a life-changing teacher.

**INVENTORY Your Strengths:** Explore the personal strengths and talents that will help you teach with success and joy.

**REFRAME Limiting Beliefs:** Overcome doubts that could hold you back and learn how to connect deeply with students who need a teacher to believe in them.

**Build Your ENERGY Plan:** Develop strategies to manage your physical and emotional well-being so you can show up at your best every day.

**DECLARE Clear Goals:** Declare your vision for your future as an educator and create a plan to achieve it.

**UNITE with Support:** Learn how to build a network of peers and mentors who will walk alongside you in your journey.

**Be Fully PRESENT:** Discover techniques to attune to your students’ needs, ensuring they feel seen, heard, and supported.

Teaching is more than a profession—it’s a calling. By the end of this program, you’ll know if you’re ready to answer the call and step into your role as a **FIRED UP educator**, ready to change lives, one student at a time.
