

Mini Mini Maxi

Putt Putt Golf Course

Call for artists!

Looking for artists to participate in a putt putt golf experiment.

***In 1988 Chicago artists created a mini-golf art show 'PAR EXCELLENCE' and we are (almost entirely) inspired by it! LOOK IT UP!

Come out and pop up your own addition to DIY Mini Mini Maxi putt putt course, in a dreamy side yard in Sunny Pilsen!

Miniature golf (also known as **minigolf**, **putt-putt**, **crazy golf**, and by [several other names](#)) is an offshoot [golf](#) focusing solely on the [putting](#) aspect of its parent game. Holes generally consist of a start point '**tee**', some sort of **obstacle**, and a **hole** at the end. The aim of the game is to score the lowest number of points.

Rules for submission:

-Everyone/every medium accepted (sculpture, performance art, be creative and think outside the box)! This one night course/art show will run in tandem with backyard, DIY variety show, smash-hit sensation: POPSICLE! No submission required, just show up with your hole 4-6pm 8.23.24! Putting/party will begin at 7:30pm. IN ORDER TO PARTICIPATE, YOUR HOLE MUST BE SET UP BY 7:30 TEE TIME!

-Holes must be 'playable' meaning: there's a clear beginning and end of play and a way to score points. Scoring conventions are up to each artist, but there must be a recordable, numeric value (+/-) at the end of play.

-Every hole must be portable, and be set up and taken down quickly (recommending 1 hour for set up, 1 hour or less tear down).

-The max distance from the putting start position to the hole is 3 yards (9 feet). The minimum distance the ball must travel from start to finish is up to each artist.

-Holes will be placed in order of appearance. In case of rain, holes will have to move inside, so please keep it light and tight.

*Artists are encouraged to explore mediums/materials that will make the least amount of waste, and reused/recycled materials will be scored higher. Max material budget: \$50.

***For bonus points, send title and any other pertinent instructions about your putt putt hole by 12PM on Thursday, 8.22.24.
