DID YOU KNOW...

- Our next UnifiMD Partner Quarterly Meeting is Thursday, January 21st at 12:00EST
- We can perform CureMD data extractions
- We have live Centricity PM integration
- Our NC HealthConnex HIE integration is in final texting phase
- We have almost 2 dozen UnifiMD VAR Partners
- We have integrated lab results with LabCorp, Quest, CPL, and BayState
- We have the tightest telehealth integration with live video and notes inside the patients chart
- We have a direct connection to DrFirst, no MICRO Services
- We have our own direct account with Updox and have access to additional services that you can offer

Welcome!

Welcome to the fourth edition of our UnifiMD monthly newsletter, powered by CHS! Inside we will discuss...

- Did you know...
- Feature Focus
- Our Partner WINS!
- Staff pet pic!

Feature Focus

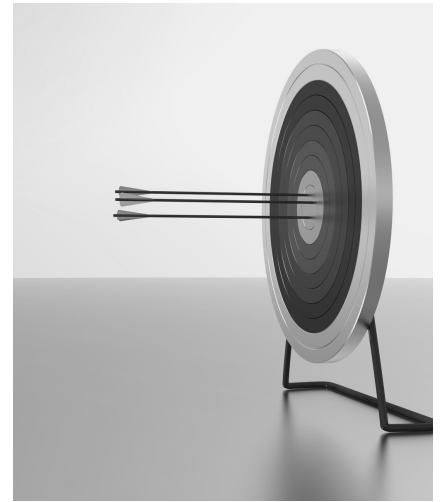

Patient Engagement and Communication Platform

UnifiMD is integrated with an amazing company that has so much to offer. Using them will increase revenue, optimize efficiency and improve patient experience. Services include, but are not limited to:

- **Appointment reminders**, no more no-shows.
- **2-way texting**, reduce call volume and hold time.
- **Waitlist notifications**, quickly fill openings to optimize revenue.
- **Recalls**, patient outreach to fill gaps in care and retain patients. Meet points for MIPS
- **Patient surveys**, improve your practice with patient feedback.
- **Online reviews**, improve your online reputation which will help grow your practice.

- **Payment reminders**, mini text message statements will help reduce AR fast.

If you think any of your customers could use any of these services, please let me know. I will be happy to have to our rep, Catherine, contact them directly. She does all the demos, quoting and closing.... makes it very easy for you!

Our Partner WINS!

We always like to hear some success stories, right? Here are some recent wins:

- **2 Pain Management Docs in GA** that purchased hosted Lytec and UnifiMD Medication Management with 4 users.
- **One ENT Doc in TX** that purchased hosted UnifiMD Medication Management.
- **2 Medisoft upgrade orders** from a Silver VAR
- **Welcome new UnifiMD VAR Partner** to the CHS family who is also a TotalMD VAR and located in AZ.
- **Welcome new UnifiMD VAR Partner** who is a Medisoft VAR from NY!

Just For Fun

Pet of the month...

Hi, my name is Ariel, I am a 7 year old Schnoodle (Schnauzer-Poodle). I love to go for car rides and walks! I like it best when Mommy takes me through the drive through line at Dunkin' and buys me a donut, Mommy says I'm spoiled. Most days you can find me napping on the couch or in bed in a warm blanket waiting for Mom to be done with work so she will play with me.

From Amanda - your CHS EMR Training & Support Specialist, Tier 2.
