## WHAT IS URBANLIFE?

---

UrbanLife works to develop young leaders through spiritual, physical, academic, and professional development. We offer various initiatives to students that nurture their spirit, strengthen their bodies, develop their minds, and equip them for the Call.

***Note: To assist in the all-important vetting process that everyone should undertake before sending financial support to nonprofit and humanitarian organizations, we initially rely on [Charity Navigator](#) and [GuideStar](#), in addition to obtaining the publicly available and required nonprofit tax filings, Form 990s.***
