**Country Summary:** There is risk of terrorist violence, including terrorist attacks and other activity in Italy. Visit the U.S. Department of State's [country reports on terrorism](#) to learn more.

Terrorists may attack with little or no warning. Common targets include:

- Tourist spots
- Transportation centers
- Shopping malls and markets
- Local government buildings
- Hotels, clubs and restaurants
- Religious sites
- Parks
- Sporting and cultural events
- Schools
- Airports
- Public areas

If you decide to travel to Italy:

- Stay alert in tourist spots.
- Check local media for breaking news. Be prepared to adjust your plans.
- Enroll in [the Smart Traveler Enrollment Program \(STEP\)](#) to receive messages and alerts from the U.S. Embassy. It makes it easier to locate you in an emergency.
- Review the [Country Security Report](#) for Italy.
- Prepare a contingency plan for emergency situations. Review the [Traveler's Checklist](#).
- Visit the CDC page for the latest [Travel Health Information](#) related to your travel and return to the United States.
