

Can Tabs for Battle Buddies

Post 96 Legion Riders
Wants you to

Give us your can tabs for Northwest Battle Buddies.

We are collecting can tabs to raise funds and help Northwest Battle Buddies to support our veterans.

Bring your tabs to our post or to any of our members and help us make sure our veterans with PTSD get the support they need.

Northwest Battle Buddies was founded to support our Combat Veterans. Since 2012, they have gifted veterans with professionally-trained Service Dogs.
