

Operation Stork

Operation Stork is in the Family Readiness Building at Fairchild Air Force Base. The items donated are assembled into baskets by the Red Cross volunteers for the new families. In District 8, we felt a little disconnected and wanted to reach out to see if we could do more. We found that Family Readiness hosts quarterly meetings called “Bundles for Babies.” That sounded like something we need to take part in! We will be spreading the love and sharing with *Bundles for Babies!* They had 38 young families in attendance for the March 11th meeting!

District 8 will be hosting a “Baby Shower” at our Spring Conference, April 11th at Post 9 in Spokane. If you would like to contribute to our baby shower collection, please reach out! Or if you donate to Department and earmark for Operation Stork, I can do the shopping for you.

A list of appreciated items are diapers, wipes, digital thermometers, hand crafted baby blankets, bibs, bottle brushes, bath toys, safety items (outlet covers, cabinet door locks), baby toiletries, socks, rattles, more diapers, and anything else baby related.

Thank you to everyone who has already donated! We look forward to serving the enlisted families at Fairchild better in the future thanks to your support!

Elaine Roach
