

Unit Members, Unit and District Presidents/Vice Presidents

Year-End Impact Number Reports are due soon!

Unit Year End Reports include:

- Hours that you and your Unit volunteered
- How much you spent in donations, time and materials
- Activities that benefited and supported Veterans, Military & their families
- Lots of photos! (jpeg file format)

Helpful questions to answer for your written reports:

1. How did you serve Veterans. Military and their families this year?
2. List activities that supported homeless Veterans in your community.
3. List activities that supported the National President's projects (AEF; VPF).
4. How did you support *Caregiving* for both Veterans and Caregivers?
5. Community involvement and outreach?

Members, please submit your reports to the Unit. Units compile their member reports and submit to the District. Each District compiles their Unit reports and submits to the Department, Department Chairmen and Department Historian. Reports are then submitted to the National ALA.

All *Year End Impact Tracking Forms* for Members, Units and Districts can be found on the National ALA Website: <https://alaforveterans.org>

Thank you for your good work and for all that you have done *"to enhance the lives of U.S. veterans, military and their families!"*
