Hello, my name is (Enter Name Here) and I am the 2025 Evergreen Girls State Chairman for the American Legion Auxiliary Unit (Number) located in (City). Evergreen Girls State is a hands-on government and Americanism experiential learning program. Young women who will have completed their junior year of high school in the 2024-2025 school year are eligible to apply. If chosen to attend Evergreen Girls State 2025, they will attend a week-long program on the campus of Central Washington University in Ellensburg in June.

During their week at Evergreen Girls State the young women will become knowledgeable of the democratic process and how our republic form of government works at the city, county and state levels. They will learn through a nonpartisan curriculum how to assume the roles of government leaders campaigning to become Mayors/City managers and county and state officials. The learning experiences, memories and friendships will last a lifetime.

I am extending the opportunity for you to sponsor a young woman for this incredible program. The cost to send one student to Evergreen Girls State 2025 is \$530.00.

I would be glad to come and speak at a meeting of your choice to share more about Evergreen Girls State. My contact info is (Email) or (Phone Number).

If you choose to support a young woman, I respectfully request that our Unit receives the donation prior to May 30, 2025. Please make checks payable to ALA Evergreen Girls State and mail to:

Update this section if sending to a local business vs an organization (i.e. Rotary Club)

Know that if your organization chooses to sponsor a young woman for Evergreen Girls State, you will be providing an incredible gift that will forever change her life!

Sincerely,
