

# Non-Traditional Student Scholarship

Getting a job or staying competitive in today's workplace involves showing employers you have the skills and experience to get the job done. In many cases, returning to college is a must. The American Legion Auxiliary's goal is to do all we can to make that happen, and that's what the Non-Traditional Student Scholarship is all about. This scholarship helps people who are part of The Legion Family pursue a college degree later in life or allow them to pick up where they left off when their studies were interrupted. If you're at this place in life, this may be the right scholarship for you.
