

## Let's Spark Learning & Leadership!

Hey Units!  It's time to turn up the volume on Education and Scholarships.

Make sure your local schools and Homeschool Co-ops know about these amazing opportunities:

-  National & Department Scholarships
-  Americanism Essay Contest
-  Oratorical Contest
-  Poppy Poster Contest
-  Poppy Princess Program

Let's also lift up the everyday heroes—**our teachers**—who show up for our kids with heart, grit, and endless patience.

Boost their efforts by:

-  Volunteering in classrooms
- Hosting flag presentations
- Donating to the school lunch program
-  Donating school supplies like:
  - Crayons
  - Glue sticks
  - Scissors
  - Notebooks
  - Pencils
  - Erasers
  - Markers
  - Folders
  - Rulers
  - Tissues

And don't forget—Emblem Sales has bookmarks and comic books that make perfect classroom donations!

Let's also get our youth involved in the Junior Program—it's a fun, meaningful way to grow tomorrow's leaders today.

Together, we're building brighter futures. Let's make some noise for Education and the incredible educators who make it all possible!
