SPARE PARTS	<p>- Waterproof upholstery Hydro™ is made of soft and comfortable material resistant to water and moisture. This upholstery is very durable and easy to clean and disinfect. This makes it perfect for indoor use when eating and drinking fluids, and outdoors during unfavorable weather conditions such as rain or snow. Hydro™ is made of environmental friendly ecological materials.</p> <p>- Medical upholstery Medicus™ is made of a waterproof material that ensures moisture circulation (vapor permeability). Medicus™ is hypoallergenic (safe for allergy sufferers), prevents angers and bedsores. Upholstery is very durable and easy to clean and disinfect. This makes it perfect for using at home during daily activities such as eating and drinking. Medicus™ meets the requirements for medical devices so it is recommended to use in health care centers.</p> <p>- Extreme-Med™ is high advanced medical upholstery. It is vinyl fabric with a lot of certificated, e.g. flammability test CRIB7 and Moist-Heat Resistant Tropical Test. Furthermore, Extreme-Med™ is also abrasion resistant, what is confirmed by Martindale test (500k cycles). The fabric is very durably, flame retardant and can be used in every kind of weather. Upholster is safe for patient: does not contain phthalates, is hypoallergenic, protects against the moulds, bacetrias and dermatophytosis. The fabric is very easy to clean and maintain. Using the special PCV layer, material does not absorb liquids and other stains. Extreme-Med™ meets the requirements for medical devices so it is recommended to use in health care centers.</p>
