

Insurance Coverage for Speech and Language Therapy Services

Thank you for choosing Crossroads Speech and Hearing, Inc. Our mission is to provide you with the same care we would for a member of our own family. The purpose of this notice is to help you, the member, better understand your benefits and coverage for speech and language therapy and to help you determine whether services at Crossroads Speech and Hearing, Inc. may be covered under your plan.

Please be advised that no insurance company guarantees payment for speech-language therapy services. If the insurance company reviews the claim, it may be deemed a service or condition that is not part of your insurance coverage, and you as the member may receive a bill. It is the patient's responsibility to understand his/her health plan requirements, and we ask that you read this form to get a better understanding of what to look for in your insurance plan to understand if you may have financial responsibilities.

Please call your insurance company (the phone number is likely listed on the back of your card) to:

- Clarify your/your child's benefits for speech-language therapy services
- Determine if speech language services at Crossroads Speech and Hearing, Inc. will be covered by your insurance plan.

It is recommended that you write down the following information when you contact your insurance company:

Date/time of call: _____

Name of insurance representative: _____

Direct contact number/extension for representative: _____

Confirmation code for the call: _____

The following are some questions to help clarify covered speech therapy services:

Insurance Coverage for Speech and Language Therapy Services

The following is a list of common ICD-10 diagnosis codes and CPT codes used by speech language pathologists that may assist you in verifying insurance coverage. Consider giving the insurance representative both the ICD-10 code that matches your child's existing or suspected diagnosis and the CPT treatment or evaluation code that applies.

ICD-10 Diagnosis Codes

- F80.0** Phonological Disorder
- F80.1** Expressive Language Disorder
- F80.2** Mixed Receptive-Expressive Language Disorder
- F80.81** Childhood Onset Fluency Disorder (Stuttering)
- R47.1** Dysarthria
- R48.8** Other Symbolic Dysfunction (use with **F84.0** Autism as secondary diagnosis if applicable)
- R47.89** Other Speech Disturbances
- R48.2** Apraxia
- R49.0** Dysphonia/Hoarseness (use with **J38.2** Nodules of Vocal Cords as secondary diagnosis if applicable)
- M26.59** Other dentofacial functional abnormalities (use with **R47.89** Other Speech Disturbances if applicable)

CPT Treatment Codes

- 92507** Individual speech-language treatment

CPT Evaluation Codes

- 92521** Evaluation of speech fluency (stuttering)
- 92522** Evaluation of speech sound production
- 92523** Evaluation of speech production AND receptive/expressive language
- 92523** Evaluation of voice and resonance

Does my plan require preauthorization, precertification, or a referral for speech language evaluation and therapy services? **Yes** **No**

How many visits does my insurance cover? _____

Is there a time limit to begin or to end? **Yes** **No**

Do I have a deductible or co-payment? **Yes** **No**

Once you speak with your insurance company, please contact us at 724-941-4434 to discuss how to proceed with scheduling the evaluation and/or therapy services for your child.
