Chandry Nelson started discussion on the 2021 KAQHA Celebrating Kansas horse show. Due to COVID - Stormont Vail Event Center in Topeka, KS has cancelled all 2021 horse shows through the end of May. With that decision work started to begin on moving the horse show to a new facility. This year it will be held in Hutchinson, KS on the same weekend. May 7 - 9, 2021. The show schedule is still being worked on by Diane Gage. The schedule will be sent out as soon as it is received.

Friday - VRH Ranch showing to 2 judges

Saturday - AQHA ranch along with All -around showing to 2 judges. All - around trail will be held at the end of the day on Saturday showing to 2 judges and then the 1 from Sunday.

Sunday - All - around only

There have been meetings with the Paints as they seemed interested in splitting the show with us to split the cost along with bringing in more horses. They are still considering it but it has not been finalized yet. Discussion was also held on the awards that KAQHA has from the show in 2019 that were not used. That will put us in a good spot for this year's show.

Year-end awards were discussed as well. The idea of doing an award booklet for members to pick from with a specific dollar amount was brought up. Discussion was held on the amount we spend on year - end awards and to be mindful when deciding how much to put towards it for the 2021 year- end awards. A committee was formed with Mark Hickey, Alayna Huber, Mikaela Sundgren, Chandry Nelson, Stephanie Manhart and Annette Cline

Discussion was held on officers and board of directors. Chandry Nelson moves as President.
