WHO WE ARE

Alovar Carnelli Forged Inc., founded by visionary entrepreneurs Antoine Denton and Lorenzo Edwards, is redefining luxury living. Headquartered in Chicago, Illinois, our privately held company is dedicated to crafting meticulously designed, high-quality lifestyle products. Inspired by a shared passion for design and craftsmanship, we embody the same values of hard work, determination, and creativity that drive our pursuit of excellence.

At Alovar Carnelli, we offer an exclusive range of products that elevate your lifestyle. From the simplistic craftsmanship of the Phantoms to the complex design of the Creeds, each piece is a testament to our commitment to innovation and sophistication. Experience the difference of owning truly exceptional wheels, designed and crafted to the highest standards. So let's make your statement.
