

Rebekah's Legacy

“Legacy Paws Packs”

In honor and memory of Rebekah and her beloved dog, Cerberus, we're assembling “Legacy Paws Packs” filled with essential dog care items to support survivors and their cherished pets escaping domestic violence.

These packs will be donated to shelters that welcome both survivors and pets, ensuring everyone has the support they need on their journey.

Want to create a Legacy Paws Pack - Here's how:

- 1. Visit rebekahslegacy.com/pet-resources and click “more info” under Safe Havens for Pets.**
- 2. Enter your state to find shelters near you that accept pets.**
- 3. Choose a shelter and check their website for a donation button or Amazon Wish List. If they don't have a Wish List, reach out via their contact info to see if they accept donations by shipping through Amazon, Chewy, or similar stores. Or you can shop for supplies at a pet store and either ship items or arrange in-person delivery with a shelter nearby.**

Join us in honoring Rebekah and Cerberus by helping us bring these packs to shelters. Whether it's sharing our message, donating, or creating your own Legacy Paws Pack. Your support means the world to those in need. Together, we can make a difference for survivors and their loyal companions.
